TRUSTEE RESOLUTION

The Trustees of the University of North Carolina authorize the President of the University to authorize the Chancellor of North Carolina State University at Raleigh to create a non-commercial campus radio service to be financed by the Board of Student Publications of that institution for the purposes of providing entertainment and information to the student body, providing a rapid and efficient means by which student and administration officials can communicate with the student body as a whole, and providing students with an opportunity to learn and practice techniques of broadcasting.

In order to carry out these instructions, the President of the University shall authorize the Chancellor of North Carolina State University at Raleigh to file with the Federal Communications Commission an application for permission to construct and operate a 10-watt educational FM radio station.
